

# Whiskey

We take our whiskey very seriously at Eala Bhán and always strive to stock a comprehensive range of well known brands, as well as an impressive collection of rare, collectible and independent blends along with our local distillery Athrú .

So fill to me the parting glass and gather as the evening falls and gently rise and softly call goodnight and joy be to you all.

The “parting glass”, or “stirrup cup”, was the final hospitality offered to a departing guest. Once they had mounted, they were presented one final drink to fortify them for their travels. The custom was practised in several continental countries.
